PUZZLE PARTY!

Don't Forget Your Goody Bag

The goody bags at my party may seem a little unusual, but I chose these party favors for a reason. Your bag contains four objects, each representing a five-letter word. Place these words into the arrowed rows of the crossword grid. If you do this correctly, you'll be able to place your six previous answers into the down spaces, and that will form one more word in the shaded center row of the grid. If you've solved all seven puzzles, this word describes you—especially if you're our grand prize winner!

Put your answer in the subject header of an e-mail and send to puzzleparty@gmail.com. Answer must be received by midnight Eastern time, April 22nd. For full details, go to <http://www.winstonbreen.com/puzzleparty.html>
